

**GOLDEN JUBILEE CLARET JUG
NEW ZEALAND GOLF CLUB
Thursday 27th April 2023**

Our first event of the year proved to be very popular, with a field of fifty six players from twenty three different clubs. New Zealand Golf Club lived up to its reputation for service and a superb course, with many members commenting on its beauty.

After coffee and Danish pastries the players made their way to the first and sixth tees where they were greeted by Pat and Toni respectively. Some members exercised the option to play the competition as a qualifier. The New Zealand marshal was very helpful in ensuring that we all kept to time. All the staff at club were extremely professional making sure that everything ran smoothly. I am especially grateful to Laszlo Dongo for all his help in setting up the event.

The rolling buffet, with a hot meal of chicken or fish pie and a selection of hot vegetables or salad, followed by an impressive choice of desserts was very well received. The prize giving started at three o'clock with Pat presenting the winners with their John Lewis vouchers and a plant. Val Talbot, who won the Claret Jug also received a memento. The timings worked very well and most the players were on their way home before the rain rained

As always many thanks to our excellent Committee, who ensured that the day was such a success. Our Vice Presidents, Joyce and Sara, President Toni Quantrell and Captain Pat McNeil who greeted the participants and ran the ball sweep. Heather Bristow who helped with the planning of the event and Helen Taylorson did a great job at registration and to Jeannette Goulding who very generously looked after the merchandising even though she left the Committee in March.

A great start to our SLCS year and to that of our Captain Pat McNeil.
