

SLCS SPRING MEETING

held at PURLEY DOWNS GOLF COURSE on MAY 4TH 2023

The weather was kind to us after many weeks of rain and the course was in excellent condition with very speedy greens. 52 ladies played representing 18 different clubs in Surrey and the format was 4 BBB off 85% Handicap

We enjoyed an excellent carvery and dessert were served and all the ladies were very complimentary of the course and the food. The manager of PDGC Gavin Robinson had recently been appointed and was most hospitable. Scott Graham manages the society events for the club and all the staff were most helpful and efficient.

The Lady Captain Bronia Parry and Tonie Quantrell acted as starters and dealt efficiently with a last minute shuffle had to be made due to one pair being stuck in traffic.

Helpers on the day were committee members, Tonie Quantrell, Judy James, Suzie Gordon, Barbara Thompson, Joyce Jarvis, Sara Brown and Caroline Adderley. Our Captain Pat was on hand all the time liaising with players and staff. Caroline did an amazing amount of sales of our merchandize selling our sweaters and polo shirts and the ball sweep raised £138 for our Charity Battleback, enabling injured service men and women to recover through playing golf.

The prizes were John Lewis Vouchers and a small floral offering. As it was so close to the Coronation weekend we also gave souvenir M&S tea towels to the winners.

I would like to say a huge thank you to everyone for all their help on the day and making my first event so enjoyable. - Helen Taylorson, Organiser.
