

Autumn Meeting at Puttenham Golf Club – 28th September 2023

Final Report.

The SLCS Autumn Meeting was held at Puttenham Golf Club on Thursday 28th September 2023. 68 ladies played, representing 28 different clubs. They played the four ball better ball format using 85% handicap and we had a two tee start off the 1st and 10th. The starters were two nice members of the golf club and the Lady Vice Captain, Annette was very helpful in showing the way to the 10th tee as well as presenting the prizes.

Unfortunately there was an accident of the M25 which caused some ladies to be late and this was compounded by a broken down lorry on the A3 so the ladies on Registration worked very hard to adjust tee times, which was successfully done.

The weather was fine and the forecasted storm Agnes passed us by so the ladies all had a dry round and most of the rounds were completed in under 4.5 hrs. The ladies were complimentary about the condition of the golf course.

There was coffee/tea and Danish pastry on arrival. The lunch was breast of chicken with vegetables (there was a vegetarian option) and the dessert was either fruit salad or crumble and custard.

There were two pairs of ladies who came in with 38 points so the first and second prize were determined by countback as were the third and fourth places with 36 points. There were also prizes for the best front 9 and the best back 9. The prizes were M & S vouchers and some Spring Bulbs. We gave the starters and Ben in the Puttenham office a bottle of wine each and presented a gift of Spring bulbs to the Lady Vice Captain.
